STRATFORD, E15

ISLAND OF OPPORTUNITY

SUGAR HOUSE ISLAND

Sugar House Island fuses the best of original east London with the delights of the City, forging a new canal-side neighbourhood. A place of opportunity, a place to live, create and flourish.

Our award-winning vision will bring together a growing community of 6,000 people to build a better quality of life amongst the waterways of east London.

Dane's Yard is the first chapter of the Island. Original warehouses rub shoulders with contemporary architecture in a unique space carefully designed for creatives.

DANE'S YARD CREATIVE QUARTER

Welcome to Dane's Yard, the creative quarter and first chapter of Sugar House Island. This former industrial corner has been beautifully reimagined into a stirring hub just a stone's throw from Stratford.

Dane's Yard is now a home for creative and transformative organisations - an eclectic, canal-side quarter with a mix of bright, characterful workspaces and outdoor spots. A place with a social heart that stays awake when work stops.

Every corner reveals a hive of activity; tight alleyways, roof terraces and carefully crafted courtyards let conversation, creativity and collaboration flow. Once a historic industrial hotspot, Dane's Yard is again a place for collaborating and innovating together.

JOIN THE VOYAGE EAST

WELCOME TO EAST LONDON

- Main Roads
- Parks
- River/Canal
- Dedicated Cycle Routes

London's centre of gravity is moving eastwards. Join the wave of tech, fashion and creative on the voyage east and play a role in carving this exciting part of the City.

Effortlessly connected to the rest of London and the world by air, train and road, Sugar House Island is on the pulse of London. And, with dedicated bike routes such as the Cycle Superhighway and Jubilee Greenway passing by parks and canals on their way to the Island, getting to and from work can be both safe and scenic.

FIVE STOREYS OF OFFICE SPACE

Set in a pivotal position on the northern tip of the Island, 1 Dane's Yard's contemporary office space spans five storeys and commands a prominent High Street setting.

The building's entrance sits by the waterside with pedestrian access from the High Street, reached by routes echoing the site's old alleyways. The large windows gaze out over the canal and Dane's Yard below, with the tall ceilings and exposed internal finish forged to create a bright, energized space.

The Cross Laminated Timber (CLT) structure has excellent thermal efficiency and low running costs, with its heating supplied through Sugar House Island's district heat network.

SCOPE FOR A FLEXIBLE RIVERFRONT SPACE

Designed for flexible use with the potential to become a bustling bar or live music venue, a quirky coffee shop or creative office, 2 Dane's Yard is an impressive open-plan space spanning over 4,000 sqft.

Constructed with London stock bricks salvaged from the Island, the building remembers the footprint of the original warehouse which played an important role in establishing the unique geometry and character of Dane's Yard. Inside you'll find robust brick walls, infilling a concrete column and slab structure.

From the expansive private roof terrace, you can gaze out over the serenity of the canal or absorb the energy of the Yard below.

OFFICES WITH A VIEW

Crowned with the Island's emblem, 1 Sugar House Lane boasts a prominent High Street position providing you with panoramic views across the Island and beyond.

Our designers have carefully aligned the building to capture the rising and setting of the sun, uniting large windows and slender floorplates to fill the interiors with natural light.

The ground-floor, recessed colonnade entrance is set on the junction of the High Street and Sugar House Lane and enters into an impressive and spacious lobby.

Spanning seven storeys, 1 Sugar House Lane has two-storey wings which connect to The Print House and preserve the former historic yard between the buildings. The three roof terraces peacefully observe the courtyard and alleyways of Dane's Yard below.

UNDER OFFER

3 Sugar House Lane is under offer to a music industry social enterprise and dance collective which will unite to bring dynamism to Dane's Yard.

This unusual fusion of a refurbished Victorian print warehouse and a modern extension provides state of the art recording facilities and dance studios. A double-height, glazed atrium welds the two structures; an impressive space bridging old and new.

Visible from the High Street, the existing Victorian façades have been prudently retained, with a new internal structure crafted in CLT and glulam, supported on a steel frame.

The Sugar House is a former sugar refinery that gave our Island its name and was first recorded in 1843.

The spectacular five-storey Victorian warehouse has three modern extensions offering rare double-height, self-contained workspaces with canal and courtyard views.

The distinctive entrance to the riverside extension leads into a contemporary two-storey gallery which could house a dramatic workspace, beautiful art gallery or an impressive retail or restaurant space.

The upper floors of The Sugar House have been crafted into residential homes which will be available to rent from early 2021.

AN ISLE RICH IN *Resources*

EVERYTHING ON YOUR DOORSTEP

Pop out for lunch (or a drink after work) and to the gym the next day to work it all off. Or not. Settle debates over a game of table tennis in the courtyard or ponder ideas by the water's edge.

Grab an afternoon snack from the grocery store as you make your way back with your fresh pressed shirts from the dry cleaners ready for tomorrow's presentation.

THE PRINT HOUSE BAR AND KITCHEN

Dane's Yard is home to Sugar House Island's first eatery,

The Print House Bar & Kitchen. Set by the water's edge with generous outdoor seating in the cobbled yard, it has riverside views and front row seats to the spectacular Dane's Yard Tower. Whether you want to burger & beer or wine & dine, it's the perfect spot for client lunches or after work drinks.

THE GYM

We know how hard it is to fit exercise around a busy work schedule and home life, so we've left no room for excuses. The ground floor of 1 Cooperage Yard, within Dane's Yard, will house a gym and workout studios. The gym will have showers, changing facilities and lockers for cyclists and runners.

THE WIDER VISION

Our vision for Sugar House Island will see the fusion of original east London with the best of city living, inspired by its rich history and unique location.

Striking a balance between homes, offices, creative hubs and independent retailers, and surrounded by outdoor spaces and waterways, the Island will become a cohesive neighbourhood, inspiring human connection.

WHAT'S NEXT

Here at Vastint UK, we believe in creating truly balanced mixed-use places, which is why we've committed to deliver over 624,000 sqft of office space and 1,200 homes across Sugar House Island.

Independent retailers, design studios, bars and restaurants will sit amongst the riverside park, Chimney Walk and the grade I listed tidal mills, attracting 6,000 people to the Island, animating and energizing it, day and night.

"[We love] the integration of new buildings with old ones and the way it takes back the street and encourages families to move into the area."

Monica von Schmalensee, judge for the 2019 New London Awards

NEW LONDON AWARDS 2019

WINNER

AWARDS

In 2019, Sugar House Island won the New London Award for Masterplans and Area Strategies - a category that champions placemaking and area-wide regeneration. It was praised for its curated balance of uses, improved connectivity, respect for heritage and consideration for longevity.

ARCHITECTURE

We are working with a team of award-winning and experienced architects to curate Sugar House Island.

Current band members:
Waugh Thistleton
Studio Meda
Morris + Company
Penoyre & Prasad
CJCT
Hunters
Planit IE
Mae
Bryden Wood

LIVING

The 1,200 homes being delivered across Sugar House Island will bring the area alive with energy, both daytime and evening throughout the week and weekends.

Botanical Mews, the first of the homes available on the Island, launched in the summer of 2020. Each year more homes will be added, 40% of which will be large units and well suited to families or sharers.

The new two-form entry primary school, arriving in 2021 will be operated by Ofsted outstanding rated Big Education Trust (School 21) bringing top tier education to your doorstep.

**PLANTS,
 PYJAMAS
 & NO LIFE
 DRAMAS**

OVER
1,000
Years of
History

Sugar House Island's rich industrial heritage has been moulded by the watercourses surrounding its site for the past millennium.

The Domesday Book of 1086 notes eight tidal mills in the Stratford area, making the River Lea's mills among the earliest tidal mills ever recorded in England.

The centre of a large circular economy, the mills generated work for mill operators, carpenters and coopers. Initially providing flour for the local bakers of Stratford, the mills turned to a gin distillery in the 18th Century. Mash from the gin was used to feed large farms of pigs whose bones supplied the china factories at Bow, with their fat being used by local soap makers.

INK

From the 1600's the river supported the textile printing and dye works and, Dane's Yard, at the north of the island, led printing ink and paint manufacturing in the 19th century. The Dane Group was a world-leading producer of Day-Glo paints.

SUGAR

The Island is named after a 19th century five-storey brick warehouse which still stands on site. The original sugar refinery once stood at the top of Sugar House Lane where it meets the High Street.

**BUILT ON
FOOTPRINTS
OF THE PAST**

SUGAR SUGAR

GIN

J&W Nicholson & Co was founded in 1736, it owned the mill building and was one of the earliest and most famous London distillers.

CLOUDS

Luke Howard (1772 - 1864), an amateur meteorologist, developed the naming system for clouds (such as 'cumulus' and 'nimbus'), and lived next to City Mill lock on the Bow Back River to the north of the Island.

Vastint is an international real estate developer with 30 years' experience across Europe. The goal of Vastint is to create long-term value through property investments. At Vastint UK, we specialise in unlocking the potential of large city sites to create truly mixed use regeneration schemes. We want to create distinct urban environments inspired by how people enjoy working and living in the modern world.

Our small, cosmopolitan team takes inspiration from best practice around the world. We work with organisations which share our aspirations and values. And most of all, we collaborate; we bring together specialists from different disciplines and challenge them to find new creative ways of reimagining and reinvigorating how we design urban landscapes.
